

## Transition Training

### Quote Request

Swim Safe 306 is available to come to your facility to provide training for your instructors and lifeguards to transition them to the Lifesaving Society programs. Please read through the following information. To request a quote please fill out and return page 2.

For lifeguard training:

- We will provide the National Lifeguard recertification course at your aquatic facility; a single session will be schedule for 5-6 hours for up to 12 participants per trainer
- We will bring all manuals, which lifeguards can purchase directly from us at the start of their session
- We will bring all equipment and supplies that are needed for this course and take care of all administrative requirements to certify your lifeguards

For swim instructor training:

- We will provide either: an in-person transfer course at your facility OR an instructor development session to build off the online instructor clinic; a single session will be scheduled for 5-6 hours for up to 12 participants per trainer
- We will bring all manuals, which lifeguards can purchase directly from us at the start of their session
- We will bring all equipment and supplies that are needed for this course and take care of all administrative requirements to certify your instructors

The cost for training will be calculated depending on number of participants and number of certifications needed. Cost for all sessions will include instructor wages, travel, equipment, supplies, and administrative tasks.

Examples:

1. You have 12 or less participants needing a single certification. We would send out one trainer for approximately 6 hours. The cost for this session would be approximately \$475.
2. You have 12 or less participants needing both certifications. We would send out one trainer for approximately 10 hours. The cost for this session would be approximately \$640.
3. You have 13-24 participants needing both certifications. We would send out two trainers for approximately 10 hours. The cost for this session would be approximately \$990.
4. You have 25 or more participants needing one or both certifications. We would send out multiple trainers over multiple days. Cost is to be determined based on need requirements.

Note: Participants will be required to purchase the required manuals for the course they are attending – we will have manuals available for purchase at the start of each session.

Date requests for training will be held for 15 days from the date of issue of quote.

To secure training dates a 10% non-refundable deposit will be required within 15 days from the date of issue of quote.
